40) The Dy Comm^r Shimoga Dt reports that in response to the Notification dated 9-8-48 calling for objections from the public two petitions have been received - one protesting against its Conversion into a Town Mty and another in favour of it the petitioners object to the conversion on the ground that the franchise of Adult Franchise will no longer be applicable in respect of elections to the Muni Council if the Conversion is sanctioned

41) The objection raised against its Conversion was considered by the Mn. Council at their meeting held on 7-10-48 and it was decided by a proportion that the system of adult franchise in elections to the Municipal Council should be retained while Shikaripur Town is converted into a Town Mty. The proposal was lost by a majority of one.

Subject - Conversion of Thirthahalli Minor Municipality to Town Municipality.

With reference to Government Notification No L. 1313 MI.97-8-3 dated 9th August 1948 calling for objections on the subject noted above, I have the honour to state that the notification was duly published in the Town Petitions in favour of conversion as well as objections to such conversion were received and they are enclosed to the records

The petitioners object to the conversion on the ground that the Adult Franchise will no longer be applicable if the conversion is sanctioned The question was pressed in the Council at the meeting held on 7-10-48 and a resolution in favour of the conversion was passed. This is flagged (A) I have also made enquiries in this behalf

Since all the conditions required for the conversion of the Minor Municipality into a Town Municipality are satisfied, I am of opinion that the conversion of Thirthahalli Minor Municipal Council into a Town Municipality be sanctioned I request you kindly to obtain early orders of Government converting Thirthahalli Minor Municipality into a Town Municipality

With reference to your letter No L 14871 dated 28-6-49 on the subject noted above, I have the honour to state that the opinion of the Council was called for in the matter Thereupon, a resolution was passed by the Council at a special meeting held on 20-7-49 suggesting that the conversion of the Municipality into a Town Municipality may be effected and that as the date of reconstitution i e , 1-10-51 is fairly far away, the decision for conversion may as well be given effect to as early as possible A copy of the resolution is enclosed for perusal.

In this connection, it may be mentioned that Sri Kalingiana Raghavendra Rao and two others filed an application before me for action under Section 35 of the Minor Municipalities Act, on the ground that due notice of the meeting had not been given to the members and that better opportunity should be given to the Councillors to discuss this important subject The petitioners were heard through their Counsel and the relevant records of the Municipality also obtained from the President and examined

The petition was rejected as the proceedings of the meetings did not appeared to be in contravention to the rules relating to the holding of meetings

In the light of the resolution of the Council and in view of the fact that General Elections are still a long way off, it seems as well that the conversion is effected right away as early as is practicable

I request that early orders of Government may be obtained the matter and communicated

Yours faithfully,

Deputy Commissioner
